

Identifying identical pictures: In each row, circle the picture that is different from the other pictures. Encourage your child to pay attention to details, such as color, shape, or orientation.

Tip for parents: When taking a walk, point to a specific type of flower and ask your child to look for the same flower in another location.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.KiDoTi.com)
