

Easter counting: Count the items on each row and circle the corresponding number. Ask your child to use one-to-one correspondence, touching each picture while counting.

5 6 7

3 4 5

4 5 6

7 8 9

Tip for parents: When walking in a shopping area, give your child a penny each time he spots the word Easter and then ask him to count his pennies when you get home.
