

Easter pictograph: Cut the pictures below and ask your child to paste each in the right place on the grid to create a pictograph. Encourage him to use the words "more" and "less" to compare.

There are _____ bows than Easter eggs.

There are _____ Easter baskets than chocolate bunnies.

Tip for parents: Give your child a random collection of Easter stickers. Ask him to choose 3 - 5 different pictures to graph. Then let him create his own pictograph by placing the stickers on a blank graphing sheet.
