

Easter pictograph: Cut the pictures below and ask your child to paste each in the right place on the grid to create a pictograph. Encourage him to use the words "more" and "less" to compare.

There are _____ pairs of kids hugging than baby chicks.
 There are _____ bunnies than flower bouquets.

Tip for parents: Ask your child to create a bar graph by asking friends and family members what their favorite Easter candy is. The choices could be marshmallow chicks, chocolate eggs or jelly beans.
