

**Completing Easter patterns:** Cut out the pictures at the bottom of the page. Then direct your child to complete each pattern by pasting the correct picture in each blank space.

**Tip for parents:** Ask your child to make a pattern using various colors of jelly beans. Remind him that his pattern must repeat at least twice.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](http://KiDoTi.com)
