

**Christmas counting:** Count the items on each row and circle the corresponding number. Ask your child to use one-to-one correspondence, touching each picture while counting.

7      8      9

4      5      6

1      2      3

7      8      9

**Tip for parents:** When going tree shopping, challenge your child to estimate how many trees are in a certain area. Then ask him to count the trees to see if he was correct.
