

Matching beginning sounds: Have your child say aloud the name of each picture and then draw a line connecting the picture to the letter whose sound matches the beginning sound of that picture.

Tip for parents: Have your child sing a favorite song, clapping each time he hears a word that begins with a certain sound. Such as clapping on Rudolph, red, and reindeer while singing "Rudolph, The Red-Nosed Reindeer."

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
