

**Finding words with the letter F:** Direct your child to find the words that begin with this letter and paste them in the boxes around the picture. Have him discard any words that do not begin with this letter.

**Tip for parents:** Create a "Fishing Game." Write words on index cards. Attach a magnet to a short pole with a string and put paper clips on the cards. Drop the cards on the floor and ask your child to "fish" for words that begin with F.
