

**Identifying letters:** Draw a circle around every letter on the page. Direct your child to begin on the top row, moving one by one from left to right identifying the name of each item.

A

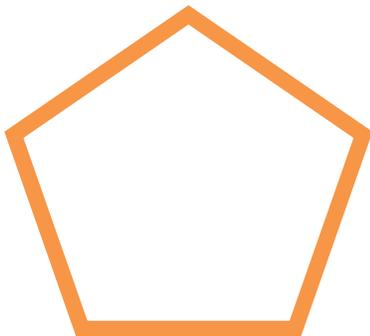

N

b

6

Z

B

**Tip for parents:** Suggest a letter and ask your child to say the letter that comes next in the alphabet. With practice, your child will not need to begin with A and go through the alphabet each time.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends.
