

Matching colors in pictures: Circle all of the pictures that contain the specified color. Draw an X through any picture that does not contain the correct color.

red

Tip for parents: Use an eye dropper to drop colored water onto white paper towels. It's a fun way to reinforce color names and discover how two colors mix together to form a third color.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.KiDoTi.com)
