

**Counting and matching to numbers:** Count the items on each row and circle the corresponding number. Ask your child to use one-to-one correspondence, touching each picture while counting.

1 2 3

3 4 5

2 3 4

**Tip for parents:** Have your child count how many steps it takes to get from one room to another or from the front door to your car. Then count how many hops or skips it takes to go the same distance.
