

Matching pictures to shadows: Draw a line between each picture and its shadow. Direct your child to focus on details such as curves or angles in the outline of each full-color picture.

Tip for parents: Don't throw away old magazines or catalogs. They are a great resource of colorful pictures for creating your own games, worksheets or art projects.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
