

**Matching pictures to shadows:** Draw a line between each picture and its shadow. Direct your child to focus on details such as curves or angles in the outline of each full-color picture.

**Tip for parents:** Flashlights make the “I Spy” game more exciting. Allow your child to use his flashlight to illuminate the room as he looks around for the “spied” item.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidot.com)
