

Connecting letters in a scramble: Direct your child to begin with the circled letter and draw a line connecting all of the uppercase and lowercase versions of that letter in the grid. The line will end at the letter inside the square.

F	F	I	f	F	F	f

Tip for parents: Play the game "Change the Word" with your child. Say a word and then ask your child to change it by substituting the first sound with the sound F. For example, if you say the word "dish" your child should say "fish."
