

FINE MOTOR - Tracing lines:

Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

Tip for parents: Put one of your child's favorite photographs under a piece of white paper and let your child trace the outline of the images.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
