

## FINE MOTOR

**Tracing lines:** Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

**Tip for parents:** Challenge your child to move beans from one bowl to another, using only his thumb and pointer finger on one hand. See how many beans he can move in one minute.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
