

FINE MOTOR

Tracing lines: Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

Tip for parents: Remind your child to “rest the pencil” against the side of his middle finger and “rest his pinky” on the table as he writes. This will enable him to hold the pencil firmly, but comfortably.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
