

**Tracing lines:** Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

**Tip for parents:** When threading beads onto a lace to practice fine motor skills, tape the free end of the lace onto the table to help stabilize the lace and keep the beads from falling off.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidot.com)
