

FINE MOTOR

Tracing lines: Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

Tip for parents: Let your child use a giant push pin (or the tip of a straightened paper clip) to punch along the outline of a picture from a coloring book. Put the picture on a soft tablecloth or towel for easier punching.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
