

FINE MOTOR

Tracing lines: Instruct your child to trace over each dashed line with a smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

Tip for parents: Medium-sized hair clips are great for practicing fine motor skills. Direct your child to use his thumb and pointer finger to open and close the clip and move cotton balls from one bowl to another.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.kidoti.com)
