

FINE MOTOR

Tracing lines: Instruct your child to trace over each dashed line with smooth stroke beginning at the picture. Encourage him to not let his pencil or marker pause before he reaches the end of the line.

Tip for parents: For art projects where you need glue, put white liquid glue in a small cup and let your child use a Q-tip to dip and spread the glue. A Q-tip is easier to manipulate than a bottle of glue.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends. See more at [KiDoTi.com](https://www.KiDoTi.com)
